## VERSE 1

G C  
He knew us before all creation

In love he called out to his children

I am yours, you are mine, we are one

He is bringing all things back together  
To be a church unified for his name  
Burning brighter when we're brought together  
As one voice aligned with heaven we proclaim

G C D  
We are claiming back your city  
G C D  
To be a land where hope prevails  
G C D  
By the authority of Jesus

By the blood he shed for us

We are claiming back salvation  
For the lost and lonely ones  
By the authority of Jesus  
By the blood poured out for us

## VERSE 3

The church it calls out for its father  
And the orphan cries out for a home  
In love he calls out to his children  
"I am here, take my hand, come on home"
