KEY: C

G C/E F

VERSE 1

G C/E F  
If I made my bed in hell  
G C/E F  
Still you would be there  
G C/E F  
If I went to the farthest ocean  
G C/E F  
I could never be away from my God  
G C/E F  
I could never run away from your love

CHORUS

C C/E F  
You took me in all of my emptiness  
G  
Came in light and tore through the darkness in me  
F  
My brokenness sculpted to glory  
C C/E  
I will rise and live in the fulness  
F G  
Day and night declare of your goodness to me  
F  
My life shaped by your grace and mercy  
C  
You're closer than I know

VERSE 2

O lord you've searched and know me  
You know when I come and go  
Every step you're there surrounding  
I could never be away from my God  
No I could never run away from your love

BRIDGE

C C/E F  
You called my name, you numbered the hairs on my head  
C C/E F  
Lord I'm amazed, how could I ever comprehend  
C C/E F  
A King who came for my broken, worthless soul  
C C/E F  
The God who saves that out of my weakness I'm made whole
